ASSOCIATION OF YUKON COMMUNITIES SCHOLARSHIPS IN MUNICIPAL STUDIES

The AYC is calling for applicants to apply for one of our two annual scholarships. At its past Annual General Meeting, in April 2008, the membership of the Association directed the establishment of two annual scholarships of \$500 each for students of post-secondary institutions who are studying towards a career in municipal government. Other eligible candidates include municipal staff and elected officials who are currently working for a municipality or a local advisory council and who wish to enroll in a course of study towards a career in municipal government and management.

Municipal studies include working toward gaining the knowledge and skills to work in the following areas of Municipal Government (other related courses of study may be considered):

ADMINISTRATION AND FINANCE

Human Resources
Accounting
Office Management

PROGRAM AND SERVICE DELIVERY

Public Safety
Recreation Programmer

ENGINEERING AND OPERATIONS
